HOTEL 1928

For some, it's the experience. Rooms with every comfort considered. Menus to linger over. A grand ballroom for celebrating. Others are drawn to the history. Architecture that tells a story. New details to discover on every visit.

Hotel 1928 is the restoration of the former Grand Karem Shrine Temple Building. Originally built in 1928, the building has been a place where people gather to rest and relax, find inspiration, and celebrate for nearly a century.

The loving restoration retains the building's historic architectural features, including a Moorish-style arched entry and a large ballroom—an ideal backdrop for a time to remember.

We invite you and yours to celebrate within these storied walls.

CELEBRATION SPACES + OFFERINGS

Grand spaces with plenty of room for tradition—the unique layout of Hotel 1928 allows us to create a host of different experiences and accommodate a variety of events.
